

Dear Friends,

On behalf of the Stanford University Armenian Students' Association, we would like to let you know about the activities of Act For Armenia (AFA), formerly Fast For Armenia. This student-run charity is dedicated to providing supplies to village schools in Armenia, and we hope you will find the included flier informative.

As part of our continuing commitment to help improve conditions in Armenian schools, we would like to present to you our current campaigns:

**Shop For Armenia** – You can now donate without any additional expense simply by shopping online. Make your online purchases as you normally would, but make sure to first visit the Act For Armenia website and click the “MAATIAM” link. A portion of your purchase will automatically be donated to Act For Armenia, at no added expense to you, and all major retailers are available.

**Band For Armenia** – We are pleased to carry on the tradition of selling tricolor (red-blue-orange) and all-black wristbands. These wristbands, available on our website, bear the words “Remember the Forgotten” to commemorate the Armenian Genocide and other overlooked injustices. You may sell these wristbands at your business, church or other public venues, and raise money and awareness of this cause.

**Donate For Armenia** – Direct tax-deductible donations are always welcome and highly appreciated. Rest assured that through our strong ties with two reputable Armenian non-profit organizations in the U.S. and Armenia, your contribution will reach its proper destination. We personally audit the purchases through our direct ties with the villages and non-profits in Armenia.

To make a donation simply make a check payable to AESA and write Act For Armenia on the memo line. AESA makes your donation tax-deductible and ensures AFA's non-profit status.
